INTRODUCTION

National Institute of Agricultural Extension Management established in 1987, is an apex level autonomous institute under the Ministry of Agriculture Farmers Welfare, Government of India MANAGE is involved in major initiatives towards reorientation and modernization of the agricultural extension system, for evolving effective ways of managing the extension system through professional guidance and training of critical manpower. MANAGE offers its services in Training, Consultancy, Management Education, Information Services and Research.

About the Programme:

Online Post Graduate Diploma in Agricultural Extension Management (PGDAEM-MOOCs):

The public extension system has a vital and indispensable role in providing extension support to a large population of farmers. The public extension system needs to be strengthened to match the scale and diversity of agriculture. The extension/development functionaries have to be transformed into a vibrant and useful knowledge force to bring about the desired changes in agriculture and allied sectors. The private extension/development functionaries also need to be empowered through capacity building to improve the effectiveness in the extension delivery system.

MANAGE Post Graduate Diploma in Agricultural Extension Management (PGDAEM) was launched in 2007,on a distance mode for the extension functionaries of Agriculture and allied sectors of the Central/State/UT governments, SAUs, KVKs and also for the functionaries working in Agri-business companies and Agri-enterprises, NGOs, Banks, Cooperatives etc. Currently fifteenth batch is in progress.

The **PGDAEM (distance education)** has received an overwhelming response from public and private sectors both. In order to increase the outreach and cover large number of candidates, MANAGE has launched an alternate PGDAEM-MOOCs program i.e. Post Graduate Diploma in Agricultural Extension Management (PGDAEM-MOOCs) using Massive Open Online Courses (MOOCs), an online e-learning platform in the year 2017.

Course Objectives:

The objectives of PGDAEM-MOOCs program are:
- To enhance the techno-managerial competence of the candidate in the field of agricultural extension.
- To acquaint the extension functionaries with the latest developments in the field of agricultural extension
- To equip the candidates with latest developments in the field of agricultural extension
- To develop an insight into various extension models to enrich the agriculture-value chain
